*On the eleventh day of Christmas my true love sent to
me 11 drummers drumming!*

Dr Teeth arrived at the rehearsal for the Muppet Show Christmas Special to find Animal unpacking boxes of drums.

Animal: Me buy 11 new drum kits for show!

Dr Teeth: How will you play them?

Animal: Me get 10 new drummers

Dr Teeth: How will you all fit on the stage, man?

Animal: Easy!!!!!!!!!!!!!!!!!!!!!!

Has Animal finally lost the plot? The drum space is 3m by 4.5m and each kit takes up 3m by 1.5m. Can it be done?

Hint: There's an old maths joke about types of people ...
